RE: CIVIL ACTION NO. 06-791-SLR

Dear Honorable Judge Sue L. Robinson;

Plaintiff arrived at the Plummer Center/Crest Work Release Center on or about August 28, 2007.

Upon Plaintiff's arrival Plaintiff was placed in the Plummer Center/Work Release. Mrs. Maxim had Plaintiff sign his Parole papers.

However Plaintiff ask Mrs. Maxim and the intake officer b/o Jackson, "What happen to the Crest Program, and was he still obligated by the Court to

attend. MRS. MAXIM REPLIED, "Plaintiff did not have to attend the CLEST Program, the witness Mrs. Carroll Evans, whom has since replaced the retired Mrs. Maxim was present at my initial intake along with Mrs. Maxim.

However, on Saturday September 1, 2007 Plaintiff received from Deputy Attorney General Erika Y. Thross, Attorney for State Defendant, Defendants first set of interrogatories and Request for Production of Documents directed to Plaintiff.

There fore, on Monday September 3, 2007, Plaintiff requested to Ms. Evans, treatment counselor, to be allowed the opportunity to proceed to Widener College, to file an answer to Defendants Request for documents.

In as much, as Plaintiff an Ms. Evans actually had a meeting that same week, Ms. Evans called the Widener College seeking to establish whether it was all right for Plaintiff to attend their Law Library Facility, which Plaintiff over-heard from the conversation Ms. Evans and whenever she was speaking to whom informed Ms Evans that it was perfectly find for Plaintiff to attend the Colleges Law Library.

therefore, since that week and date, Plaintiff has placed numerous notes to Treatment Counselor Ms. Evans, to Job Counselor Mrs. Hamilton, and Notes to Mrs Lang, requesting permission to proceed to the Widener College to answer the States motion.

On Thursday Evening after returning from my job around the hour of 8:30 PM, Lt. Wilson informed Plaintiff he was being placed in the CREST Program, immediately. He said "the decision was made by MS. Callie Evans, Treatment Counselor after she had called the District Court on Thursday September 13, 2007, requesting the Court to send Plaintiff (6) 285 forms denying Plaintiff access to the District Court, to personally go to the Court to pick up said forms.

Plaintiff is currently in the CREST Program without any understanding how he will complete and type the necessary answer to Defendant's Request for Documents.

Plaintiff did leave a recorded message on Deputy Attorney General's Phone, stating I was having serious problems with the answer to Defendant's Request for Documents. Plaintiff never called back, however, at this stage of these proceedings, I am being denied access

to the Widener College Law Library. Plaintiff was also told he can not return to work.

Plaintiff has Constitutional Rights which are being thrown out the window.

Whereas, Plaintiff's request to the Court, to immediately respond to Ms. Carroll Evans' plot to deny Plaintiff access to the Court as she is doing to Plaintiff at this time.
